### Who is it for?

Those who are familiar with using their DSLR/Bridge camera and wish to improve their photography

### What will I learn?

You will learn about and understand the ingredients that lift pictures from 'the ordinary', as well as assessing the opportunities and constraints offered by the subject matter and using them to improve your photography.

Learning will be via practical, hands-on use of your camera, as well as seeing and understanding simple explanations and examples.

### Course outcomes:

You'll learn how to improve your pictures by gaining a practical understanding of:

- Light & tonal range
- Composition
- Depth of field
- Viewpoint and narrative

You'll also learn how to take pictures in a more confident and fluent way in a variety of situations, and avoid technical errors to achieve a higher success rate.

*If you need more information or advice, please call us on 01572 758122 or email [adultlearning@rutland.gov.uk](mailto:adultlearning@rutland.gov.uk)*

## What should I bring?

- Note pad & pen/pencil
- Fully-charged DSLR or bridge camera with SD card
- Camera instruction manual, if possible

## What could I do after this? Who delivers it?

This course is delivered by Andrew Wilson, Fellow of the Royal Photographic Society and a RPS Distinctions assessor and advisor with many years' experience.

After the course, you could continue to practice in your own environment or sign up for RALSS' Further Skills photography course.

## Directions and Map:

From the Oakham Bypass, turn onto the Ashwell Road. After about a mile cross the mini-roundabout and immediately prepare to turn right into Gate 2. The car park is straight on.
