Who is it for?

This is the perfect starter activity for people with limited or no experience of floral design. Joanne will guide you through step by step to create a beautiful door wreath.

What will I learn?

During the session we cover the use of different ingredients, fixing techniques and explore different design ideas to personalize your wreath. You will be able to recreate the wreath made in class, perhaps even making them for gifts at Christmas.

Course outcomes:

Design and create a contemporary door wreath and if time permits discover how to create a wrist corsage for the festive party season.

If you need more information or advice, please call us on 01572 758122 or email adultlearning@rutland.gov.uk

What should I bring?

Apron, scissors and plenty of enthusiasm.

What could I do after this? Who delivers it?

You may be inspired to explore your creative side further in floristry. Joanne offers a commercial floristry for beginner's course starting in February. For more advanced learners the intermediate class in April offers an insight in the World of commercial floristry. Each course offers the opportunity for learning in both practical work and theory.
