Who is it for?

Anyone wishing to pass a GCSE in Maths who already has reasonable mathematical abilities. There will be an assessment before starting the course. If you do not have the required skills, we will recommend a more suitable (free) course, such as Functional Skills.

What will I learn?

The course will cover the entire GCSE syllabus at grades 1-9 (old system A* - E). Topics include number, algebra, ratio, geometry, probability and statistics.

What should I bring?

Pen, paper, ruler, calculator, protractor, compasses and squared paper

What could I do after this?

Apply for any jobs or courses that have GCSE Maths as an entry requirement, or progress to A-Level Maths with another provider.
