Rutland Adult Learning and Skills Service Vision Statement

At **Rutland Adult Learning and Skills Service (RALSS)**, our vision is to **empower individuals through lifelong learning**, fostering a culture of growth, inclusivity, and opportunity. Rooted in the values of **Passion, Ambition, Collaboration, and Making a Difference**, we are committed to transforming lives and strengthening our community.

Guided by the Latin motto *Multum in Parvo*—"Much in Little"—our mission is to **equip adults with essential skills, knowledge, and confidence** to thrive in both their professional and personal lives. We strive to **reduce social isolation, enhance employability, and support personal development**, ensuring that every learner, regardless of age, background, or ability, can achieve their full potential.

Through **high-quality teaching, employer partnerships, and a carefully designed curriculum**, RALSS aims to:

- ✓ **Bridge the skills gap**—helping individuals gain, retain, and progress in the workplace.
- ✓ **Foster social inclusion** by connecting learners with their communities and reducing isolation.
- ✓ **Support economic growth** by addressing local and regional workforce needs.
- ✓ **Empower learners of all backgrounds** to navigate challenges and become confident, creative contributors to society.

Together, with **Rutland County Council and community partners**, we will continue to develop a **diverse, sustainable, and responsive** adult learning service that enhances the lives and well-being of individuals while **strengthening Rutland's economy and social fabric**.
